INTRODUCTION	6
Sharing our stories	8
What's in the book	8
What you can do with this book	9
From a book to a living library of shared experiences	10
We want to hear from you!	11
PREFACE	
Why we need a (global) movement for health	12
CHAPTER 1	
Relationships, wellbeing, pleasure in doing things together, values	29
Relationships and values	31
Values and respecting diversity	34
Relationships with "life as a whole"	35
Wellbeing and pleasure in doing things together	37

CHAPTER 2

Decision-making, structure and organisation, sustainability	39
Decision-making and power	41
Structure, organisation and governance	45
Social movements and the community	48
Sustainability of the movement	50

CHAPTER 3

Advocacy, campaigns, communication	55
A long journey starts with a single step (in the right direction!)	56
Broadening people's participation	59
Mobilising material resources for action	61
Targets of actions	63
Actions that are visible, attract people and make an impact	65
Don't let them off the hook	67
Communicate	69
New media use	71

CHAPTER 4

Participation, community action	74
Joint health needs identification, assessment and prioritization	77
Jointly building capacity, forging partnerships and adding new knowledge	79
Jointly planning for action and increasing negotiation and bargaining capacity	81
Jointly acting on health - meaningful participation at community level	82

Jointly reflecting on past experiences to inform a planning and acting on health	83
--	----

CHAPTER 5

Networking (at local, national, international level), alliances and cooperation, resource sharing	85
How are networks formed ?	87
Who can form a network ?	88
How do networks work and what keeps them going ?	91
How are networks strengthened ?	96

CHAPTER 6

Mutual learning, knowledge generation, participatory action-research	101
Individuals and groups spurred to action through knowledge-building	103
Participatory action research	104
Health professionals & NGOs engaging with communities to build knowledge	107

CHAPTER 7

Popular education, creative and interactive training, transferable skill-building	111
International People's Health University (IPHU): a PHM programme for movement building	113
Reducing the gap between learning and doing	116
How you teach is as important as what you teach	118
Transferable skill-building	120
